STUDENT ORGANIZATIONS

STUDENT SENATE

The SEARK College Student Senate works throughout the academic year to: 1) serve as the representative body of students enrolled in the college with the primary purpose of providing an opportunity for the active participation of students in the affairs of the college; 2) provide a forum for the continuous exchange of ideas and opinions among the students, faculty, and staff; 3) discuss issues of concern to students and provide advice and recommendations to the Vice President for Student Affairs for consideration.

PHI THETA KAPPA

The purpose of Phi Theta Kappa shall be to recognize and encourage scholarship among two-year college students. To achieve this purpose, Phi Theta Kappa (PTK) shall provide opportunity for the development of leadership and service, intellectual climate for exchange of ideas and ideals, lively fellowship for scholars, and stimulation of interest in continuing academic excellence. Membership is open to SEARK College students who have completed at least 12 semester credit hours and who have earned a cumulative grade point average of 3.5 in a two-year degree program. Invitations to join PTK are sent out each semester after the 11th day rosters are signed by instructors.

SEARK COLLEGE STUDENT AMBASSADORS

The Student Ambassadors' mission is to conduct campus tours, assist Student Affairs and the Office of the President in activities and campus events. As volunteers, the SEARK College Student Ambassadors share their dedication and support for SEARK College with prospective students, visitors, and the community. Requirements for selection each fall semester include a personal interview, a 2.5 cumulative grade point average, and enrollment as a full-time student for at least one semester.

Baptist Collegiate Ministry

Baptist Collegiate Ministry is a non-denominational spiritual organization designed to provide guidance, resources, and support for Collegiate Ministers in Baptist Life. Baptist Collegiate Ministry (BCM) is the Southern Baptist program of campus-based collegiate ministry. BCM seeks to tell the story of what God is doing in and through college students and to equip college ministers for effective ministry. Meetings are held every Thursday at noon with a free lunch provided.

Potential New Organizations

Student Green Team

Promoting recycling, reusing and rethinking resources both on and off campus is the premise for this organization. Working with the Pine Bluff/Jefferson County Clean and Beautiful Commission to implement public awareness about the need for a "greener" community.

Study Group Network

Students seeking study groups in various courses would be connected with other students with similar needs. Provide a connection point to assist in the academic success of SEARK students.

Student Veteran Association

Unite veteran students and nonveteran students. Promote a positive social environment, creates a cohesive identity, and work to enhance the lives and educational experience of SEARK veteran students.
