LPN/ Paramedic to RN Transition Option

PROGRAM DESCRIPTION:

This program is intended to enable, the LPN and qualified Emergency Medical Technicians– Paramedics (EMT-P) who aspire to become Registered Nurses to do so within a minimum period of time and with a minimum duplication of course content and credits. The EMT-P is mainstreamed into the LPN to RN Transition curriculum. Graduates are eligible to apply to take the National Council Licensure Exam for Registered Nurses (NCLEX-RN).

Application Procedures and Deadline

Classes are admitted in June. Class size is limited; and all applicants are not accepted for participation.

All applicants will have an equal opportunity regardless of race, age, disability, sex, creed, religion, or nationality.

Applicants with special needs due to disability must make this fact known prior to admission, so that necessary accommodations can be made. Because of the nature of the profession it may not always be possible to accommodate students with severe disabilities. Please refer to functional ability requirements.

Application Deadline: 2nd Friday in March

Acceptance Procedure

Applicants that are selected for admission must notify the nursing division of intent to register by picking up an acceptance packet within the allotted time. Upon acceptance into the program students must submit evidence of the following in order to begin classes:

1. Current AHA or American Red Cross CPR Certification
2. Functional Ability Acknowledgement Form
3. P.P.D. Skin Test or Chest X-Ray
4. Hepatitis B Series or Signature on SEARK Vaccination Waiver Claim Form.
5. Arkansas State Police and FBI Criminal Background Checks.
6. Copy of current LPN license or EMT-P certification.

All students accepted must have a criminal background check. Students are responsible for any fees associated with the background check.

Students enrolled in Allied Health programs with a clinical component will be assessed a fee for malpractice insurance.

NOTE: Random drug screening may be utilized
