

Phlebotomy Technology

Southeast Arkansas College Phlebotomy Technology

PROGRAM DESCRIPTION: This one-semester program introduces students to proper collection, transport, and handling of blood including blood collection equipment, venipuncture, and capillary collection. Pre-analytic complications, specimen collection procedures, forensic toxicology, and collection from adult, pediatric, geriatric, home and long-term care clients are covered. Instruction also includes collection of urine and other body fluids. Laboratory experiences are included to reinforce the didactic content. Phlebotomists may seek employment in inpatient hospital laboratory settings, outpatient laboratories, physician offices, and medical clinics. Program graduates may apply to seek certification through the American Society of Clinical Pathology (ASCP) or the National HealthCareer Association (NHA). Accreditation through the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS) is pending.

ADMISSION REQUIREMENTS

High School or (for GED Equivalency) Diploma and meet the general admission requirements of the College.

ACCREDITATION

Southeast Arkansas College is accredited by the Higher Learning Commission and is a member of the North Central Association of Colleges and Schools.
