2012-2013
ACADEMIC CALENDAR – Revised

Registration Periods
All Students Must See An Advisor Before Registering For Classes

Students may register for classes for any term once the class schedule has been posted on the SEARK College Website—www.seark.edu—through WebAdvisor. (The Fall Schedule is posted in late March; the Spring Schedule is posted in early November; and the Summer Schedule is posted in late March.) On-campus registration is available during normal office hours. Students are expected to have payment arrangements (including financial aid) in place at the time of registration; otherwise, he/she will be dropped from classes.

Students can utilize Payment Plan Options on SEARK College’s website. Students are expected to have payment arrangements (including financial aid) in place at the time of Pre-Registration and/or Open Registration; otherwise, he/she will be dropped from classes.

Students are encouraged to register as early as possible in order to secure their desired schedule and to avoid long lines and/or closed classes. All students should consult with their advisors prior to registration. Students should make appointments with their advisor and come prepared to discuss class needs as they apply to their programs of study. However, remember that most faculty are not available for advising during the breaks between terms, so care should be taken when scheduling appointments.
