

How to connect to SEARK Wi-Fi (Sharknet)

1. First thing you will need to do is connect to the WiFi named "Sharknet."
2. Next you will need to open a browser on your computer or device.
3. Type the following into the URL Address bar:
 - a. Nactag.seark.edu

4. Next you will "click" on [Please click here to connect to the network](#)
5. This will direct you to the next page

Your connection is not private

Attackers might be trying to steal your information from **nactag.seark.edu** (for example, passwords, messages, or credit cards). [Learn more](#)

NET::ERR_CERT_DATE_INVALID

Advanced

Back to safety

6. Please select Advanced and proceed to scroll down.
7. You will see [Proceed to nactag.seark.edu \(unsafe\)](#)
 - a. Please click on this link

[Proceed to nactag.seark.edu \(unsafe\)](#)

8. You will then proceed to the next page in which you will log into with your network credentials

South East Arkansas College Reg

Welcome to the SEARK SharkNet P

You have been denied network access because your
registered to the network.

Please use the following button below to register you
network access. Note that you **must** have valid login
on the network.

Network Login

Users must log in with their domain name, usernam
SEARK1\JSmith or STUDENT\JSmith

User Name*

Password*

Login

9. As the example states, you will use the following depending upon being staff or student:

a. Staff: **Seark1\<username>**

b. Student: **Student\<username>**

10. You will then Login and your device will proceed to register. This process will take no longer than 1-2 minutes

*TIP: If your device just continues to spin on the registration screen for a prolonged time (3+ minutes), simply turn off your WiFi and turn it back on and the registration will be complete.
