

What Can I Expect in My Course that Was Moved Online?

1. **A List of expectations of you and activities your instructor has posted for you.**
2. **AT LEAST ONCE EACH WEEK a live, interactive session during your regular class time. Your instructor will provide you with instructions for how to participate.**
3. **To complete the same work and assignments (except for laboratory and clinicals) online as you would do in a face-to-face class.**
4. **All assignments, quizzes and tests to be submitted online.**
5. **Interaction with your instructor via email, Moodle, and other means that your instructor may outline, such as telephone or social media.**
3. **A response from an email you sent to your instructor during regular business hours, Monday-Thursday 8:00 to 6:00 and Friday 8:00-Noon.**
4. **Instructor's Virtual Office hours during the work day, when your instructor will be available to reply immediately to emails or questions from students.**
5. **Deadlines and due dates for assignments to be posted. If you miss a deadline or due date, an instructor may extend that deadline, if you have a legitimate reason for asking for an extension. If, however, you consistently ignore due dates and deadlines, the instructor reserves the right now to extend due dates.**
6. **Your grades to be posted in the Moodle gradebook.**
