REGISTERED NURSING PROGRAM

GENERIC OPTION

The Registered Nursing Program, Generic Option, is intended to provide a beginning point for individuals seeking upward mobility or who aspire to become a Registered Nurse. The program is designed to prepare graduates with the knowledge and skills required to be successful on the National Council Licensure Exam for Registered Nurses (NCLEX-RN).

The program enables students who aspire to become Registered Nurses to do so within a minimum period of time with a minimum duplication of course content and credits. SEARK College offers (2) options for students desiring to obtain the Associate of Applied Science Degree in Nursing (LPN/Paramedic to RN Transition & Generic Option). The Generic option requires students to complete coursework in fundamental skills already attained by the LPN/Paramedic.

The Generic RN Program Option is accredited by the Accreditation Commission for Education in Nursing, Inc (ACEN), 3343 Peachtree Rd. NE, Ste. 850; Atlanta, GA, 30326. (404) 975-5000; www.ACEN.org.
